## Show Day - Tuesday, 15<sup>th</sup> November 2022

### SHOW DAY

The pets may be brought in earlier on the 15th with the official start being at 10:00. Parents are invited to arrive with their children and then stay on until the event finishes after the animal parade and ribbon presentation.

There will be a complimentary sausage sizzle organised by the Garston Home and School running throughout the day.

*If the weather is inclement and unsuitable for the animals and outside activities then we will have a normal school day and parents and friends are still invited to come to school from 12:30 onwards to view the Art & Craft displays and stay to enjoy the guest speaker's presentation.*

The school bus will only run on the 15th November if required so please let **GRAHAM** know in advance if you need it. Ph. **027 224 4047**.

Please ring your children's teacher if you require more information or have a problem regarding the proposed organisation.
